The First Liberty Loan

A. D. La DUE
Chairman.

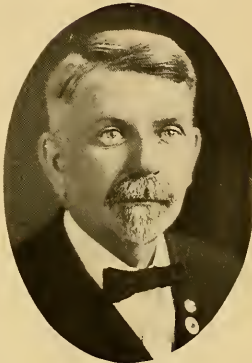

MRS. A. D. La DUE
Chairman Women's Committee, First and Second
Loans.

Rock County people can take just pride in the results of the Liberty Loan campaigns, for not once during the five loans did the county fail to take its full quota, and in nearly every case a large oversubscription demonstrated the universal desire to whip the Kaiser's forces with every man and dollar the nation possessed. Much of this excellent showing is due to the hard work of the bankers of the county who practically without exception gave up considerable of their time to the drives.

The first campaign of June 1917 was conducted under the direction of Banker A. D. LaDue, of Luverne, who had previously been appointed a member of the state committee and to whom the state chairman left the entire planning of the work. Rock County's apportionment on this loan was only \$200,000 or \$18 per inhabitant, but owing to the little knowledge the majority of the people had of the advantages of the bonds and the necessity for their subscription, it was feared that it would be very difficult to raise this amount. Mr. LaDue called the bankers of the county to a conference and an agreement was made that each bank be apportioned an amount of bonds in proportion to their capital and surplus which they would be expected to sell to their customers and the other people of the community. A campaign of education was carried on thru the newspapers, and at public meetings where minute speeches were made. A small oversubscription showed that the people had begun to realize the importance of the sale. Mrs. A. D. LaDue was given the chairmanship of the women's committee on this sale.

The Second Liberty Loan

J. N. JACOBSON
Chairman.

MRS. C. H. CHRISTOPHERSON
Chairman Women's Committee, Third Liberty Loan

The second Liberty Loan campaign of October, 1917, was conducted under the supervision of Chairman J. N. Jacobson, of Hills. In this drive, the first utilization was made of precinct quotas, or the assigning of a definite amount to each district. This afterwards came to be the accepted form for all the drives. The county was assigned \$500,000 worth of bonds of this loan but such an earnest campaign was carried on that over \$600,000 worth were sold to over 2,334 persons, or to an average of better than one out of five of the people of the entire county. Mrs. LaDue was again appointed women's chairman, but owing to her absence the work was largely turned over to Mrs. C. H. Christopherson.

The Third and Fourth Liberty Loans

S. A. COSS
Chairman, Third and Fourth Loans.

MRS. LAURA CONNELL
Chairman Ladies' Committee, Fourth and Fifth Loans.

The third campaign conducted in April, 1918, was the first of the two under the direction of S. A. Coss of Luverne. Mrs. C. H. Christopherson was the chairman of the women's committee and the women of the county contributed a great deal to the success of the campaign. The county was given an apportionment of \$600,000 in bonds, but by this time the liberty issues were so well known that a two day campaign, started April 15, was found sufficient to sell the amount, and requests for bonds kept coming in until a total subscription of \$800,000 was secured. Many of the districts oversubscribing by nearly 50%. The subscriptions by district and oversubscription were:

Battle Plain	\$27,600	\$ 5,600
Beaver Creek Township	46,000	14,800
Beaver Creek Village	18,000	8,000
Clinton	24,000	14,100
Denver	31,600	12,500
Hardwick	30,450	9,050
Hills	33,250	11,050
Kanaranzi	44,750	19,550
Luverne City	208,500	101,700
Luverne Township	43,000	21,000
Magnolia Village and Township	53,350	22,750
Martiu	56,000	18,500

The Fourth Liberty Loan --- Cont'd.

The fourth Liberty Loan campaign started September 28 under the direction of S. A. Coss. Mr. Coss tried a new plan of equalizing the burden and duty in the subscription of bonds, by making a personal quota for every resident and taxpayer of the district. A few days before the campaign was begun, questionnaires were sent to everyone asking their financial standing and the amount of bonds they had previously purchased. From these reports a mailing list was made showing amount necessary for each person to contribute if the loan was to be met and cards sent out notifying them of that amount. When all the replies had been received, it was found that aside from a handful who had shirked their burden everyone had contributed their quota and in some cases more. An oversubscription of \$88,750 on the quota of \$900,000 resulted from this campaign. Mrs. John Connell had charge of the women's part in this loan and assisted Chairman Coss thruout the drive.

The Fifth Liberty Loan

E. H. Moreland, Chairman

The fifth Liberty Loan campaign was conducted during the first part of May, 1919, under the direction C. H. Moreland. The reducing of the bond issue owing to the ending of the war made the amount easier to raise in this campaign and the same method used in the fourth campaign was sufficient to raise a \$100,000 oversubscription. The total amount subscribed in the Victory Loan was \$725,550. The amounts subscribed by the various precincts of the county were:

Battle Plain	\$ 12,100
Beaver Creek Township	37,800
Beaver Creek Village	15,400
Clinton	45,750
Denver	13,600

War Camp Community Service Work

On the second of November, 1917, a campaign to raise one thousand dollars for the War Camp Community Service work was begun. This campaign was conducted by the Luverne Commercial Club committee with A. J. Daley as Chairman. The committee was composed of the following Commercial Club members:

A. J. Daley	Chairman
O. P. Huntington	Treasurer
Dr. A. N. Rice	E. H. Canfield
Dr. E. C. Olson	S. C. Rea
A. A. Anderson	Harper Shaffer
Carl Omolt	W. W. Latta
C. H. Moreaux	C. C. Herbert

The one thousand dollar quota was raised within a short time.

Armenian Relief

Rock County, on February 3, 1919, began a campaign to raise money for the Armenian Relief Fund. The people of the United States had been asked to raise \$30,000,000 for this relief work, and of this amount Rock county was allotted \$4,600, which was easily raised by subscriptions. D. M. Main was appointed county chairman for this campaign and the following town and township chairmen were appointed:

D. M. Main, Luverne City	John Welzenbach, Mound Township
F. E. Perkins, Beaver Creek Village	G. H. Mork, Vienna Township
J. M. Hange, Hardwick	A. S. Anderson, Beaver Creek Township
O. J. Nash, Village of Hills	L. D. Long, Luverne Township
Otto K. Steen, Rose Dell Township	A. Walker, Magnolia Township
O. H. Gravatt, Denver Township	M. C. Duea, Martin Township
Ira C. Emmons, Battle Plain Township	T. F. Innes, Clinton Township
A. M. Teskey, Springwater Township	J. M. Baker, Kanaranzi Township

War Savings Stamp Campaign

A. A. Anderson, Chairman

Rock County received special distinction in the sale of War Savings Stamps, its rank being first in the state in per capita sales. Much credit for this is due to the initiative of Chairman A. A. Anderson, who instead of following the ordinary plan of conducting campaigns among the school children and selling the stamps thru the banks, used the allotment system which had proved so successful in the Liberty Loan Campaigns.

The drive began June 4th, 1918 and lasted just four days, during which time the allotment was completed and an over subscription of \$34,000 raised. During that time a house to house campaign was conducted so thoroughly that not only every district took its quota but every individual in every district took the allotted amount.

Prior to the opening of the drive, the Chairmen, Vice-Chairmen, and solicitors were called together by County Chairman Anderson to listen to an address by Ex-Representative G. B. Bjornson of Minnesota. Mr. Bjornson gave some interesting facts about the stamp sale, and assured the men that they had the best thing in the world to sell. The excellent work of the committeemen is ample testimony that the people of the county were of the same mind as Representative Bjornson.

THE ROCK COUNTY LOCAL BOARD

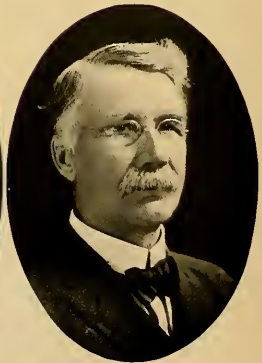

O. E. FERGUSON
Chairman.

SHERIFF J. E. BLACK
First Chairman of Board.

DR. C. L. SHERMAN
Examining Physician.

OLAF SKYBERG
Secretary of Local Board.

Rock County Local Board --- Cont'd.

The Local Board held its first meeting in the office of the sheriff at the jail on May 9th, 1917. The members present were Sheriff J. E. Black, Chairman; County Auditor Olaf Skyberg, Secretary; and Dr. C. L. Sherman, Surgeon of the Board. The appointment of registrars was made and other arrangements were completed for the draft to be held June 5th.

Sheriff Black resigned from the board about a month after it was formed owing to ill health. Governor Burnquist promptly appointed Clerk of Court O. E. Ferguson to succeed him as chairman of the board and the work was afterward conducted without change in the committee.

The first group of registrars appointed served thruout the war and did very valuable service in the four registrations. This was done almost entirely without compensation. A number of other men assisted also, of whom no record is now available, but whose services were greatly appreciated by the county board.

The legal advisory board gave a great deal of assistance to the young men registering, by helping them fill out their questionnaires. Many of the members gave up their own work entirely at times to do this necessary work for the government performing it entirely without remuneration. The business men, especially the bankers, also ably assisted in this work. Another profession which gave freely of its time to aid in winning the war, was the dentists, who performed the dental work of the selected men free of charge, even giving this work priority over their own work.

The work of examining the men was under the capable charge of Dr. C. L. Sherman, and Dr. E. O. Thorson was assistant examining physician during the entire period of the draft.

The Medical Advisory Board for the counties of Rock, Pipestone, and Lincoln, as appointed by Dr. Spalding was:

Dr. C. O. Wright, Luverne.
 Dr. C. A. Palmer, Luverne.
 Dr. E. G. McKeown, Pipestone.
 Dr. A. H. Brown, Pipestone.

This Board passed its decision on questionable cases referred to them by Local Boards.

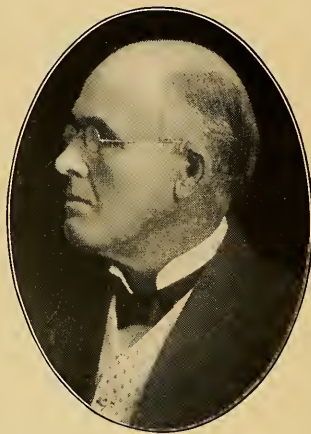

MRS. CHAS. JOHNSTON

THE LEGAL ADVISORY BOARD

ATTORNEY A. J. DALEY

ATTORNEY E. H. CANFIELD

The Legal Advisory Board was organized in the fall of 1917, at which time Attorney A. J. Daley of Luverne, was appointed Chairman. Upon the death of Attorney Daley, a year later, Attorney E. H. Canfield of Luverne was appointed as his successor. The members of the original Advisory Board were: A. J. Daley, E. H. Canfield, C. H. Christopherson, Martin Webber, S. C. Rea, N. R. Reynolds, and M. W. Chunn.

The Advisory Board appointed the following as members of the Advisory Committee:

Luverne: Rev. D. Mangan, Miss Bertha M. Adams, Mrs. M. W. Chunn, Mrs. Maude Daley Rhodes, C. S. Brewer, Rev. J. O. Mundahl, Mrs. Gainey, Mrs. Mark Swedberg, Mrs. Wm. Lemka.

Beaver Creek: M. O. Page.

Hills: O. J. Nash, J. N. Jacobson, M. C. Duea.

Hardwick: O. H. Gravatt, J. M. Hauge.

Kanaranzi: J. M. Baker.

Magnolia: F. B. Pettengill.

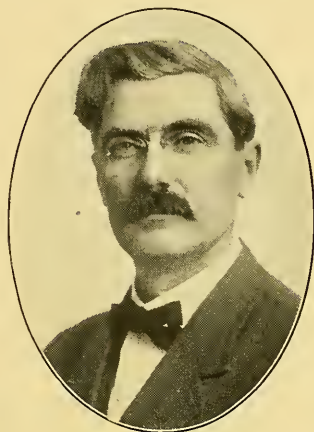

Kenneth: John Engebretson.

Steen: H. J. Hinkley, L. H. Bock, M. L. Nesseim, P. N. Nielsen.

The service which the members of this organization rendered to the registered men of the county was one that was deeply appreciated by all, their work being the assisting of the registrants in filling out their respective questionnaires. The blanks furnished by the Government, which were to be filled out with the required data, were detailed, and required much study and research in order to secure correct answers. The members of the committee made a thorough study of the rules governing the questionnaires and gave expert advice to those who needed assistance.

The America First Association

S. B. Nelson, Chairman

Rock County at no time took a second place in the encouragement of loyalty. No efforts were spared to acquaint the public with the genuine seriousness of the situation and that a united people was necessary to win the war. The America First Association did its bit through a series of educative lectures, motion picture films, and personal effort, to create a proper sentiment and sense of responsibility throughout the county.

On December 3d, 1917 the Rock County unit met at the office of Attorney C. H. Christopherson with the following present:

S. B. Nelson, Miss Edia A. Headley, C. H. Christopherson, J. O. Mundahl, W. A. Rowe, E. A. Brown, A. H. Carver and J. N. Jacobson. S. B. Nelson was named Chairman of the work for the County.

The first matter of business was the completion of the County membership, and action resulted in the following election:

Battle Plain Township—K. S. Hoime, Kenneth.
 Beaver Creek Township—A. S. Anderson, Beaver Creek.
 Beaver Creek Village—C. H. Baldwin, Beaver Creek.
 Clinton—J. H. Kohn, Luverne.
 Denver—Chris. Risch, Hardwick.

 Magnolia Township—Jens Thorson, Luverne.
 Magnolia Village—Alex. Walker, Magnolia.

Rock County Food Administration

C. H. Christofferson, County Food Administrator

C. H. CHRISTOPHERSON, County Food Administrator.
 H. C. SMITH, Merchants' Representative.
 MRS. A. D. LaDUE, Women's Representative.
 H. T. RODMAN, Press Representative.
 M. E. TEETER, Agricultural Representative.
 A. W. LYONS, Hotel Representative.
 REV. HOWARD JOHNSON, Church Representative.
 MISS EDITH A. HEADLEY, School Representative.

The Rock County Food Administration was formed early in the spring of 1918, when Attorney C. H. Christopherson was appointed Chairman. The other members of the committee were appointed from time to time as increasing activities made it necessary to augment the board.

The food shortage of 1918, and the call of the government for the conservation of sugar, wheat products, and meats resulted in considerable work for this committee. One of the most difficult of its operations was a survey of all the flour and wheat in the county. In addition to this the Food Administration saw that a fair price was charged for all food products, urged the saving of food in every way, and prevented violations of the government regulations, by their system of educating the public regarding the requirements made by the Federal Food Administrator.

The Y. M. C. A.

The Y. M. C. A. campaign in the fall of 1917 was conducted under the direction of E. A. Brown of Luverne. A quota of only \$5,000 was asked for, and a short campaign conducted largely in Luverne was sufficient to raise \$5,600.

The Knights of Columbus

Edward W. Lynch, Chairman

The K. C. campaign of 1917 for Rock County was undertaken by St. Adrian Council 1601, of Adrian. Edward W. Lynch of Luverne was appointed Chairman, and the entire work was turned over to him. Mr. Lynch appointed his own solicitors and an active campaign was begun on December 1st. The members of the committee were James Brandenburg, Jos. Hassler, M. L. Ruddy, James Kennedy, John Mullen, John Koehn, John P. Coffey, Will Larkin, George Michaelson, Philip Van de Velde, Emmett Kennedy, Michael McDermott, James Larkin, Clarence Herbert, and James McKeon. A blizzard during the week of the drive interfered with the work and many of the men suffered frozen hands and feet. \$869.25 was raised.

State of Minnesota Medical Draft Committee

DR. A. E. SPALDING

Dr. A. E. Spalding, of Luverne was accorded the honor of representing Southwestern Minnesota on the Minnesota Central Medical Draft Committee, which had for its duties the organizing of all the County Medical Advisory Boards throughout the state. The other members of the committee were Dr. Archibald McLaren, of St. Paul, Dr. William Magie, of Duluth, Dr. Arthur S. Hamilton of Minneapolis and Dr. John H. Adair of Owatonna. Dr. Spalding had as his special district the three southern tiers of counties west of Mankato. His work was ably done, and through his appointments the work of this department was dispatched with ease and satisfaction to all.

Y. W. C. A. Campaign

On December 10, 1917, a campaign to raise funds for the Y. W. C. A. was begun. Mrs. A. D. LaDue and Mrs. S. C. Rea were appointed to take charge of this campaign. The county quota was so small in this campaign that but a short time was taken to raise the entire amount in spite of the cold weather which interfered with the work.

United War Work Committee

E. A. Brown, Chairman

The United War Work Campaign for funds for the six organizations doing active war work, the Y. M. C. A., Y. W. C. A., K. C., Jewish Welfare, War Camp Community Service, and Salvation Army was conducted during the first part of November, 1918, by a corps of solicitors under the direction of E. A. Brown, of Luverne. In spite of the influenza ban which made a personal campaign difficult, the drive was carried on so successfully that Rock County had an over subscription of over \$2,000, with nearly every district exceeding its quota.

The allotments and totals for the different districts of the county are as follows:

Township	Allotment	Total Subscribed

THE FAMOUS ROCK COUNTY LIBERTY DUCK,
Which through repeated sales netted \$16,752.64 for the Chapter of the County.

Rock County Farm Bureau

M. E. Teeter, County Agent

The Farm Bureau Associations were initiated and authorized by the U. S. government in the various counties throughout the United States for the purpose of encouraging greater production through larger acreage and more intensive farming. The organization was primarily a war measure to take care of the gigantic needs of this country as well as that of a large portion of the Allies'. Numerous progressive counties, among which is numbered Rock county, have however seen the immense benefits derived from the work of the organization, and are continuing the work independent of assistance from the federal government.

The Rock County Farm Bureau was organized Feb. 1, 1918, at which time M. E. Teeter was appointed County Agent, and the following officers and Board of Directors were appointed:

As a result of this thorough organization, wheat acreage and other grains showed a big increase, during 1918. 56,000 bushels of wheat were threshed, or an average of 21 bushels to the acre. The largest acreage was oats with 3,368,830 bushels threshed; Barley, 461,757 bushels; Rye, 15,992 bushels; Flax, 2,325 bushels.

An excellent corn crop also resulted, helping Rock County to feed the world. County Agent Teeter with the assistance of Carl Birkland, tested 1,949 bushels of the precious seed corn which was planted in this county in the spring of 1918.

Company "H" Fifth Infantry Regiment

Minnesota National Guards

The initial steps for the formation of a second National Guard Company at Luverne were taken July 29th, when a meeting was held at the school house grounds, with the object in view of organizing a Home Guard Company. The meeting was presided over by H. W. Bedford, and 160 agreed to join. Communication was opened with Adjutant General Rhinow, and Col. G. A. Lewis of Mankato came August 2nd, and urged the formation of National Guard Company. On August 15th General Rhinow gave notice that the Luverne company would be named Company "H" in the 5th Regiment provided the quota was complete by the latter part of August, which was accomplished, and the first company drill was held September 10th, with over 50 present in spite of inclement weather. The men were mustered into service on Thursday, October 3, Captain H. D. Jenckes having examined the men on Tuesday, and all but nine out of 106 had passed successfully. Frank Ferguson was named Captain; A. A. Anderson, First Lieutenant; and R. B. Nelson, Second Lieutenant. The permanent organization embodied the following officers and men:

RED CROSS

American Red Cross Rock County Chapter

By Rev. A. H. Carver, Chairman

The Rock County chapter was organized April 16, 1917, with a charter membership of twenty, by the authority of the National organization. A campaign for membership characterized by great zeal gave the chapter at the end of six months a membership of 1088, with several auxiliaries established throughout the jurisdiction.

The calls made upon the chapter for sewing, knitting, and surgical supplies were responded to heartily, and in every instance the work done was highly approved by the inspectors of the Division. Too much praise cannot be given the faithful women who carried the burden of the work.

At every call for War funds the jurisdiction exceeded the allotment, and in the two calls for funds the chapter gave nearly \$30,000.00. The June call for the year just closed increased this amount by \$15,000.00.

Several auctions were held during March and April 1918, the receipts for same reaching \$55,251.25, including the sale of a Pekin duck which by repeated sale amounted to \$16,752.64.

Company A, mobilized in the county, upon its departure was given a patriotic send-off and each soldier was given a comfort kit. Every recruit, whether selected or a volunteer was presented with a comfort kit, by the chapter.

RED CROSS SALES

One of the noteworthy achievements of the Rock County Chapter of the American Red Cross was the conducting of the ten sales held in March and April of 1918, which netted \$55,251.25 for the Red Cross, and plainly demonstrated the patriotism of the county. As an appropriate opening for the sales, an American flag was auctioned off in many places, for several hundred dollars. Carver's Military Band never failed to be present and the sales were cried by Messrs. Scott and Long, English and Ohs, and J. O. Erickson, all of whom donated their time and services for the government work.

The golden-egged Liberty Duck which brot fame to the Rock County Sales was a feature of the entire series. This patriotic bird was donated by Mrs. Otto Baden of Jasper and began its business career by a sale for an even dollar. As its financial experience grew and its fame spread, the amount it could earn increased until it had finally finished its work with a total of nearly \$17,000, for the benefit of the soldiers. Postcards alone of this gilt edged duck netted the Red Cross over \$200. This active business career however proved to much for the bird, for soon after the sales were finished, its death came in such a lingering illness that it was impossible to preserve it by mounting, and nothing remains of what was probably the most valuable duck that ever existed.

The first of the sales was held at Luverne on March 20th, 1918. Such a large quantity of articles was donated that three auctions on as many different stands were necessary to handle all of the sales. In spite of this the auctioning went on until late at night. It was here that the Liberty Duck first appeared and was sold to Lloyd Long for \$1. It had not been the intention of the committee to resell articles but Mr. Long saw the golden possibilities of the bird and succeeded in having it returned to the auction block. From then on its value increased until before the sale was over it had run up to \$2,780. It was at last sold to a pool, formed to continue the sale of the duck at future auctions. An aggregate of \$727 was paid for the privilege. The total sum received from the Red Cross sale reached \$11,000.

Hardwick and Beaver Creek were the villages in which the next sales were held on Saturday the 23rd. The Hardwick sale raised over \$5,000, of which \$1,000 was realized through the duck. At the Beaver Creek sale, the duck reached its record price of \$4,300 as a result of the patriotic efforts of sixteen men who put up \$100 apiece as a first bid. Over \$8,500 was realized from this sale.

Ash Creek, Magnolia, and Hills had sales the following week. Monday the 25th was chosen for the Ash Creek sale, which brought in another \$3,500. At this gathering the duck was sold for \$575 and twelve golden eggs for \$216. A feature of the day was a fine supper served by the ladies of the community as their part toward the Red Cross benefit. Magnolia's sale on the 27th was made notable by the price of baked goods, cakes selling for \$35 and pies \$10 apiece. Over \$4,000 was returned from this community. The Hills sale was held on Saturday the 30th and drew a record breaking crowd. The totals ran to \$7,475, making this auction second only to the Luverne one for the amount received. The American flag was sold to the community for \$500.

Three sales were held in April at Kenneth, Kanaranzi, and Steen, which added \$14,000 more to the Red Cross funds. The Kanaranzi people introduced several features into their meeting which netted considerable sums, two of these, a home talent play and a dance, being worth \$230. Two dozen "kisses" proved themselves worth a dollar apiece and a pair of pillow cases made by a lady past 70 summers, sold for \$90. \$5,650 was raised by this community. The Steen sale on the twentieth added another \$5,000 to the Red Cross funds. Of this amount \$900 was received from a supper by the ladies and a dance after the auction. Another \$900 was received from the sale of an Overland automobile.

The last of the series was held in the Springwater Church in the northwest corner of the county. This was notable because it was staged entirely by the farmers without the help of any of the business men from neighboring towns, and it was also attended largely by people from the farms of the vicinity. The total receipts from this sale were \$5,016, of which \$1,000 was from the Springwater flag bought by the community club. Cakes and pastries rose to their limits at this sale being valued at \$50 or more apiece. The auctioneers were Adolph Carl of Hardwick and R. J. Heaton of Jasper.

The Home Service Bureau

O. E. Ferguson was named Chairman of the Home Service work, and, as in the multiplicity of other tasks added by the Great War, to his duties as Clerk of the Courts, he performed all in detail with the utmost faithfulness. As Chair of this work, it was his duty to see that the allotments of the boys were received by the wives, or members of the family; look after the dependents of soldiers during the war, and ascertain that the wounded who had been sent home were well cared for.

Take Machine Gun and Crew

Among the Rock County men who deserve special mention is Warren Workman, for an act of bravery performed in the Argonne Forest. As told by Lippo Smook of the same regiment, the incident occurred as follows:

Workman with two other privates decided one night to capture a German machine gun which had been straining our line. The three boys crept out over No Man's Land and succeeded in taking the machine gun crew so much by surprise that they were brought back easy prisoners. After the Germans were brought into our lines safely, the three Americans went back and succeeded in also bringing in the machine gun as a prize.

The Sinking of the Tuscania

By John J. Maloney, Hardwick, Minn.

The following account of the sinking of the Tuscania is taken from a letter written by John J. Maloney, Bugler, Co. D, 6th Battalion, of the 20th Engineers, to Mrs. E. L. Harding, of Hardwick, Minn.

"We left New York the latter part of January. Cold, I should say so! You would be surprised how quietly we sneaked away from port. Not a soldier in sight until we were at sea. I was fortunate however in getting a good glimpse of Miss Liberty and New York harbor. We sailed to Halifax where I saw the ruins of the big explosion. It was a terrible sight. Everything in sight for at least two square miles was a mass of wreckage.

I don't like to say anything about the poor old Tuscania, as I didn't enjoy my trip on her, as she was a rough old tub. On the fatal day on which we were struck, I had just finished washing and was waiting to get into the mess room for tea as the English call our supper, when the torpedo struck. It wasn't such a loud explosion. The ship just quivered, and the lights went out. Some one said we had been struck by a torpedo, and the boys started on the run. Not a mad rush however, the majority of them behaved fine. After we got on deck, we sang songs, chewed, smoked. One of the songs they sang as they were filling the boats was "Where Do We Go from Here Boys?" We had several mishaps in letting down the boats, so that it made it a case of every man for himself. The boat I should have got into filled before I had a chance to get in and lucky for me, as 70 got into that boat and only nine are alive today to tell about it. The boat went against the rocks off the coast of Scotland and the poor fellows, mostly boys from my Company, were battered to death. I stayed on the Tuscania until 8:15 when a destroyer came alongside and picked us up. I was without hat or coat, and was given a place on the bow of the boat where every passing wave struck us, and it was certainly cold. I rode there until 2:45 the next morning when we landed at Buncrana, Ireland. God bless that spot! It sure looked like heaven to a fellow half frozen and soaking wet. I stayed in Ireland about a week at the towns of Londonberry, Ranelston, and Dublin. Was then sent to England to a hospital where I stayed until the latter part of May when I rejoined my Company in France. I was then trained for Bugler, and transferred to the 16th Co., 20th Engineers, where I have served since."

It was about the middle of April, 1917, when we first saw a uniformed man on the streets of Laverne. From that time on, there could be noticed a feeling of discontent among the true American men and boys in and around our city.

Toward the last of April, Robert A. Groat, a Spanish-American War veteran, who was well acquainted in Laverne, let out the bee that had been buzzing around under his bonnet, and we learned that Company "A" of the Second Minnesota National Guards would be transferred from New Ulm to Laverne providing a sufficient number of men could be recruited within a short length of time. Mr. Groat, with the help of a number of the young "true bloods" of Laverne and vicinity, among whom were Clifford J. Rierson, George A. LaDue, Warren J. Ihde, Carl Randolph and Arthur B. Humphrey, got busy. They not only worked in Laverne but drove to several of the cities and villages in this section and did so remarkably well that

in a short time enough men had been raised to insure the company for this city.

The first man was examined physically by Major Leedloff of Mankato. Enlistments were made out and examinations held in temporary headquarters in the basement of the Maniton Hotel. The Company administration was carried on here until the company was mobilized and went into camp at the Rock County Fair Grounds June 3, 1918. Robert A. Groat was appointed Captain, Jesse S. Kollman of Rock Rapids, First Lieutenant; and Edward C. Dike of Beaver Creek, Second Lieutenant.

Until about July 1st, there was very little actual drill taken up as the officers and administration section were kept busy both night and day taking care of enlistments, examinations and arrangements for the future drill. At this time, we were fortunate in having Sergeant Decker from the regulars to help us "get onto the ropes."

Finally the order came for mobilization and on the 3rd of June we went into camp at the fair grounds and took up the regular routine of drill, setting up exercises, and other army activities. Our sleeping quarters were in the exhibit building and just outside the grass was worn thin by the constant marching of columns of fours. The old opera house down town served as a mess hall. These were the days of the stiff arms, from the all too frequent vaccinations and inoculations.

Toward the end of the summer, even the initiating of an occasional recruit, and the necessary ducking of some of the fellows in the water tank for indulging too freely in the soldiers' enemy failed to furnish enough excitement. Finally a little rumor concerning going into camp in New Mexico started, no one knew where. It was met by the usual remarks soldiers make when they hear about anything to happen in the future, but in spite of this it kept growing until at last it was a certainty.

History of Company "A" by Cor

The 25th of September finally arrived after almost endless anticipation and preparation on the part of both officers and men. The crowd began gathering early in the morning. Mothers and fathers were there to say a last goodbye to their sons. Sisters also were present in large numbers bidding farewell to their brothers; friends saying adieu to friends. The company formed down town, and marched to the train, led by Carver's Military Band, while thousands cheered. There at the Omaha depot were the coaches ready to receive the men and all too soon we saw our city disappearing in the distance as we rounded the bend on the way to Worthington where, with Company K, we filled a train that was soon southward bound for Camp Cody.

The first of October found us riding over a strange land of barren sand and sage brush in the mighty state of Texas and midnight of the second brot us to the camp that was to be our home for many months. When we left the cars, the skies

were cloudy and a light shower of rain was falling. We almost shouted with joy at the thought that we had passed the desert country but morning brot a rude awakening from this dream for we found that this rainfall had followed fourteen months of sunshine. This we could well believe in the afternoon when a wind and light shower so filled the air with dust and sand that it was impossible to see more than a few feet.

The first two weeks at Camp Cody were given to building our company street and cleaning the surrounding country of yucca plants, cactus, mesquite, centipedes, scorpions, and the other inhabitants of a desert, and we began to realize the true beauty of our Minnesota home. At the end of two weeks the division which had become the 134th was put under a sixteen week intensive drill schedule and we saw visions of the broad Atlantic and the fields of France, for the near future.

this time, every man worked hard without a single complaint, always planning on being shipped to Europe at the end of this time.

As time went on and no orders came to move, the morale of the men kept running down and when the weeks had turned into months and no orders came, the entire company became disgusted and it was almost impossible to keep discipline or spirit in the drills. Finally in June the orders came that the privates and cooks of the regiment were to be sent as replacement, and the 13th found us bidding goodbye to our comrades who were happy in the knowledge that they were at last bound for France.

The officers and non-commissioned officers remained at Camp Cody to drill a bunch of drafted men, who came from the south. They were made up mostly of Mexicans and bums and (at least in our opinion) could not be compared to our

friends who had left for Europe and the front. All that summer those left behind stayed at Camp Cody with Company "A", which still was not the old Company "A" we had been so proud to call our own.

In August the 32nd Division of which our 134th Infantry was a part, received its orders to move to Camp Dix, New Jersey. Here the influenza held the company until October when the remainder of Company "A" found themselves on the broad Atlantic bound for "Sanay" France. Here ended the existence of Company "A" on this side of the pond, with the exception of a few of us detailed to special work or sent to officers' training camps, whom the Armistice found still waiting for their chance to get over, and at the Hun.

- The Allies began the siege of Ghent, the stronghold on the Scheldt River, with American, Belgian, British and French units participating and with the Queen of the Belgians watching, in the van of the attack, the smashing of the city's defenses. Germans already reported to have withdrawn their main forces from the city.
- The American forces later captured Liny-devant-Dun and Milly-devant-Dun, 6 miles south of Stenay, east of the Meuse. They were also occupying the hills on the east bank of the river, despite a stiff machine gun resistance by the Germans.

- American and French troops continue their advance. Murvaux, north of the Freya line and east of Dun, was reached this afternoon, and operations about the heights to the east of Sedan are under way.
- The British, further west, are 4 miles within the trunk line connecting Northern France and Lorraine, threatening to divide the enemy's forces into 3 armies, with precarious roads of retreat.
- As a result of the menace on the flanks, the Germans are retreating fast in the center, leaving guns and supplies. Following fast on them the French forged ahead from 5 to 7 miles from Guise to the point of their junction with the American forces west of the Meuse.
- Nov. 7.—The Americans have not only captured Sedan in their advance on both sides of the Meuse, but have made a jump toward the Briey iron mines, which the Longuyon line protects. Longuyon for several days has been under the fire of American guns. With that part of Sedan resting on the western bank of the river occupied, the American Army is consolidating its positions and preparing for a further advance. It was contingents of the noted Rainbow Division and of the 1st Division that made the final whirlwind dash into Sedan.
- The French advanced 10 miles at points, directly menacing the German center communications. More than 100 villages were taken.
- British forces are continuing their progress along the Franco-Belgian battle line. Northeast of Valenciennes they have reached the outskirts of Quiévrain and Crespin, close to the Belgian border. All of the workshops have been occupied by the Red troops and Kiel is governed by a Marines' Soldiers' and Workers' Council. All the street car lines and railways are under control of this council.

- In taking over the battleship Kaiser at Kiel the officers attempting to defend the German flag were overpowered, and 2 of them, including the commander, were killed and a number of others were wounded, says the Cologne Gazette. Three companies of infantry sent to Kiel to restore order joined the revolution and a fourth company was disbanded. During the night, hussars sent from Wandsbeck were forced to turn back by sailors armed with machine guns.
- Nov. 8.—Germany's armistice delegates were received by Marshal Foch at 9 A. M. in a railroad car in which the Commander-in-Chief has his headquarters. Matthias Erzberger, leader of the enemy delegation, speaking in French, announced that the German Government had appointed them plenipotentiaries to take cognizance of the terms, and eventually to sign an armistice. Marshal Foch then read the terms to them, dwelling upon each word. They made a few observations, pointing out difficulties in the way of carrying out some secondary clauses. Then Erzberger asked for a suspension of hostilities. This request Marshal Foch refused. The delegates having obtained permission to send a courier to Spa, German great headquarters, and communicate with that place by wireless, withdrew. The armistice terms called for an answer within 72 hours, expiring at 11 A. M. Monday.
- The French have reached Mezières, the railroad junction on the left of the American front on the Meuse. Gen. Gouraud holds the west bank of the Meuse from Sedan to the outskirts of Mezières. His troops advanced from 5 to 8 miles in a day. Scores of villages were liberated. Artillery and supplies were rushed up over roads deep with mud and the German resistance became stiffer.
- The Americans have improved their positions beyond Sedan on both sides of the river, consolidating their tremendous gains of the last 4 days.
- The British not only have taken the stronghold of Avesnes and vital junction of the enemy's connections between the north and south armies, but have pushed their line to within 2 miles of Maubeuge, a total gain of 5 miles on a front of more than 30 miles.

- The retired Prussian General, Gustav Althorn, 82 years old, a veteran of the Franco-Prussian War, committed suicide at the foot of the Bismarck statue in Brunswick.
- The Americans advanced everywhere along their line. The enemy artillery fire was from large calibre guns, indicating positions a great distance away. One American division reached Mouzay in its forward march, despite machine gun resistance and a fire from mine throwers. Five American ambulances drove by mistake into the German lines northeast of Lion-devant-Dun and were captured. Comrades organized a rescue party and returned with the ambulances, 4 prisoners and 3 guns. The Americans are in control of both sides of the Meuse and occupied Remoiville Wood. They crossed the river at Mouzon, thus making their line on both sides complete from Villers-devant-Mouzon southward.
- The British battleship Britannia was torpedoed near the west entrance to the Straits of Gibraltar and sank 3½ hours later, according to an Admiralty announcement; 39 officers and 673 men were saved. The Britannia, which had a displacement of 16,350 tons, was launched at Portsmouth Dec. 10, 1904. Glaçon, Formies, Hirson, Anor and St. Michel were occupied. Our forces continued their pursuit beyond these localities on the general line of Monimignies, the northern outskirts of the St. Michel Forest, Maquenoise and Philippe Forge. Further east, after having forced a passage on the Thon and Aube Rivers, they occupied the plateau to the north, took Signy-le-Petit and reached the Mezières-Hirson railway at the village of Wagny and south of Maubert-Fontaine. On the right they reached and surrounded Mezières and Monhon, and crossed the Meuse further east, opposite Lumes.

French troops operating under the American command also advanced at various points. The captured territory includes the German stronghold of Stenay, Brimoucourt, east of Verdun, and numerous villages and fortified positions in Lorraine. The entire district in the region of Stenay was flooded by the Germans, who dammed the canals and rivers. The Americans crossed the River Meuse from below, took Stenay in a great northward push. The Germans shelled the Verdun road in the regions of Cesse, Beaumont, Mouzon and Balan. The Mouzon Bridge was broken in 2 places. Along the Meuse from the region of Sedan to Stenay the enemy machine gunners, clinging to the hills overlooking the river, kept flares burning all during Saturday night, preventing the Americans from crossing.

A supplementary declaration to the armistice terms was signed to the effect that in the event of the 6 German battle cruisers, 10 battleships, 8 light cruisers and 50 destroyers not being handed over owing to a mutinous state, the Allies reserve the right to occupy Heligoland as an advance base to enable them to enforce the terms.

- Field Marshal von Hindenburg has placed himself and the German army at the disposition of the new people's government at Berlin. There were a few seconds of silence as the shells shot through the heavy mist. Then the gunners cheered. American flags were raised by the soldiers over their dugouts and guns and at the various headquarters. Individual groups unfurled the Stars and Stripes, shook hands and cheered. The agreement which has been reached between the Socialist and Independent Socialist Parties and the new regime seems to have secured support from the press. In addition to the Wolff Bureau, the Socialists are now represented by 3 newspapers, the Vorwaerts, the Lokal-Anzeiger, formerly the Emperor's favorite newspaper and now rechristened the Red Flag, and the former semi-official organ, the North German Gazette, which has taken the new title of the International. Wilson's Fourteen Points of Peace

On January 8, 1918, President Wilson, in an address to a joint session of Congress named fourteen points as essential in a consideration of peace. His speech, in full, will be found on pages 17-18 of the 1918 World Almanac and Cyclopaedia. The fourteen points he stated as follows:

I. Open covenants of peace, openly arrived at; after which there shall be no private international understandings of any kind, but diplomacy shall proceed always frankly and in the public view.

II. Absolute freedom of navigation upon the seas, outside territorial waters, alike in peace and in war, except as the seas may be closed in whole or in part by international action for the enforcement of international covenants.

III. The removal, so far as possible, of all economic barriers and the establishment of an equality of trade conditions among all the nations consenting to the peace and associating themselves for its maintenance.

IV. Adequate guarantees given and taken that national armaments will be reduced to the lowest point consistent with domestic safety.

V. A free, open-minded, and absolutely impartial adjustment of all colonial claims, based upon a strict observance of the principle that in determining all such questions of sovereignty the interests of the populations concerned must have equal weight with the equitable claims of the Government whose title is to be determined.

VI. The evacuation of all Russian territory, and such a settlement of all questions affecting Russia as will secure the best and freest co-operation of the other nations of the world in obtaining for her an unhampered and unembarrassed opportunity for the independent determination of her own political development and national policy, and assure her of a sincere welcome into the society of free nations under institutions of her own choosing; and, more than a welcome, assistance also of every kind that she may need and may herself desire. The treatment accorded Russia by her sister nations in the months to come will be the acid test of their good will, of their comprehension of her needs as distinguished from their own interests and of their intelligent and unselfish sympathy.

VII. Belgium, the whole world will agree, must be evacuated and restored without any attempt to limit the sovereignty which she enjoys in common with all other free nations. No other single act will serve as this will serve to restore confidence among the nations

in the laws which they have themselves set and determined for the government of their relations with one another. Without this healing act the whole structure and validity of international law is forever impaired.

VIII. All French territory should be freed and the invaded portions restored; and the wrong done to France by Prussia in 1871 in the matter of Alsace-Lorraine, which has unsettled the peace of the world for nearly fifty years, should be righted, in order that peace may once more be made secure in the interest of all.

IX. A readjustment of the frontiers of Italy should be effected along clearly recognizable lines of nationality.

X. The peoples of Austria-Hungary, whose place among the nations we wish to see safeguarded and assured, should be accorded the freest opportunity of autonomous development.

XI. Roumania, Serbia and Montenegro should be evacuated; occupied territories restored; Serbia accorded free and secure access to the sea, and the relations of the several Balkan states to one another determined by friendly counsel along historically established lines of allegiance and nationality; and international guarantees of the political and economic independence and territorial integrity of the several Balkan states should be entered into.

XII. The Turkish portions of the present Ottoman Empire should be assured a secure sovereignty, but the other nationalities which are now under Turkish rule should be assured an undoubted security of life and an absolutely unmolested opportunity of autonomous development, and the Dardanelles should be permanently opened as a free passage to the ships and commerce of all nations under international guarantees.

XIII. An independent Polish state should be erected which should include the territories inhabited by indisputably Polish populations, which should be assured a free and secure access to the sea, and whose political and economic independence and territorial integrity should be guaranteed by international covenant.

XIV. A general association of nations must be formed, under specific covenants, for the purpose of affording mutual guarantees of political independence and territorial integrity to great and small states alike.

Mr. Wilson's declaration of fourteen peace points was made a day after the British Prime Minister, David Lloyd George, had stated in a public address to the trades unions what his country considered a basis for peace discussion.
